

## **STATWORKS (M) Sdn Bhd: RECRUITMENT OF GRADUATING STUDENTS for the position of SALES ENGINEER**

Statworks (M) Sdn Bhd is a locally incorporated company with offices in Petaling Jaya, Sabah and Singapore. Founded in 1994, STATWORKS (M) Sdn Bhd is the recognised leader in providing numerical analytics for various business and academia industries. We have a rich history of innovation and growth that has made us a true industry leader. Our professionals are dedicated in providing the highest level of customer service and support.

Today, STATWORKS has refined and expended its numerical analytics to span industries in banking, financial services, telecommunication, manufacturing, education, research centres etc, not only in Malaysia but also in the South East Asia region. For further information on our numerical solutions and our services, please visit our website at [www.statwks.com](http://www.statwks.com)

Currently, we have 2 job openings for the position of Sales Engineer. We would want to interview graduating students with certain qualifying criteria as outlined below :

### **Requirements:**

- Minimum qualifications :
  - Bachelor Degree in Mathematics, Applied Statistics or Computer Modeling with a minimum CGPA of 2.8
  - Candidates with a minor in Computer Science or Management is an added advantage
  - A minimum of Grade B for Final Year Project
- Hands-on or practical knowledge of statistics or mathematics applications or handheld technology is a must.
- Hands-on or practical knowledge of programming languages such as S-Plus, Mathcad, Matlab, C++, Visual Basic.net etc is an added advantage.
- Knowledge of data analysis, engineering, financial, mathematics, graphing calculators and data-loggers is essential.
- Practical knowledge on Microsoft OS, UNIX and Linux is an added advantage.
- Willing to travel on a frequent basis. Highly motivated individuals to meet sales quota.

- Excellent written and oral communications skills in Bahasa Malaysia and English.
- Working experience in solutions implementations especially in the area of finance, manufacturing, retail, government and education is an added advantage.
- Marketing experience such as product launches, seminars and promotions in relation to the above mentioned technologies is an added advantage

All interviewees who qualify would be advised ahead of time of our interests in interviewing them and thus they should forward their CV and all copies of all relevant certifications and documents to [hrd@statwks.com](mailto:hrd@statwks.com)

If you have questions or concerns about this, please do not hesitate to contact via phone at 03-79555288 or mobile at 012-2772951.
